**IMMERSE, RELAX AND ENJOY YOURSELF...** Man has known the benefits of hydrotherapy for centuries. The Spa is the healthiest progress that has been made in bathing. The Spa is designed to provide relaxation and the pleasure of water over all your body. Immerse yourself in the magic of the Spa: water makes an exquisite massage over your muscles, your skin is caressed by thousands of stimulating bubbles, the temperature of your body is softly increased, circulation is activated, your muscles relax, your body and mind can forget stress and the nervous tension of everyday worries.

**DESIGNED WITH YOU IN MIND...** Our Spas are designed to provided maximum comfort. Each seat, each lounger has been designed for your body. The ergonomics of its shape and the strategic position of the hydrojets act on the key points of your body. The micro-hydrojets, the roto hydrojets, the hydropulsators, bubblejets and other options provide a wide variety of hydromassages and sensations all within the same Spa.
